Band

MR. HUBERT OWENS
Director

One of the most outstanding features of Lamar High School is its band, one of the finest in Southwest Missouri.

During the school year it participates in music festivals and is frequently on hand at the football and basketball games to cheer the team on.

With the coming of summer its activities do not cease. There are regular practices, Saturday night concerts for the city, and frequent trips out of town to march in parades.

To add color to the band, there are the sweater girls and the twirlers, with the drum major leading the entire entourage.

The band is one of the largest organizations of the school. There are seventy instrument-playing members, ten sweater girls, and six twirlers plus the drum major.

The director of the band, Mr. Hubert Owens, has been at Lamar for nine years and during that time has built our band to its present degree of success.

SPORTSMAN'S CREED

THE SPECTATOR

1. He never boos a player or official.
2. He applauds a good play, no matter who makes it.
3. He knows the school gets the blame or the praise for his conduct.
4. He recognizes the need for more sportsmen and fewer "sports".

THE PLAYER

1. He lives clean, plays hard and for the love of the game.
2. He wins without boasting, he loses without excuses, but he never quits.
3. He respects officials and accepts their decisions without question.
4. He never forgets that he represents his school.

THE COACH

1. He inspires in his boys a love for the game and the desire to win.
2. He teaches them that it is better to lose fairly than to win unfairly.
3. He leads players and spectators to respect officials by setting them a good example.
4. He is the sort of man he wants his boys to be.
